# DRAGONS LAIR

Long ago, in a magical time, a good king named Atheneus ruled a peaceful kingdom. Now his kingdom has many treasures, but its greatest prize was Princess Dopina, the King's only child. Brave Knights and handsome Princes came from afar and to pay her court, for she was a maiden of exceeding beauty and grace. But the King's son, the Prince of the Kingdom, was not so fortunate. He was a simple boy, and the Princess Dopina refused him. For her heart had long been given to another... Dirk the Daring, the King's champion and bravest Knight.

Then one dark day, single an evil dragon who ruled over a shadowed land, appeared in Atheneus' kingdom and demanded that the King deliver up his kingdom and people to him. When Atheneus released singers into the land, the monarchs retreated, the beauties Dopina and imprisoned her in a crystal sphere in the Nodale Dungeon. In order to rescue his beloved Princess, Dirk must travel to the Nodale Dungeon and rescue her. Rescuing your kingdom before the setting sun or your beloved dragon will perish. Atheneus and all the people of the Kingdom were plunged into despair. An escape to Dirk who tries to go to the shadowed castle to free the Princess.

### SPECTRUM VERSIONS

Software instructions for Dragon's Lair must load games.

Please note that when prompted to stop tape and turn it over, do not do this, just stop the tape.

While playing the game,

Software version 4000: a separate data cassette and tape counter should revert to counter position 000 then into the Spectrum 4000 mode. Software version 4000: a data cassette and tape counter should revert to counter position 000 then into the Spectrum 4000 mode and users without a tape counter should revert to the beginning of the tape when prompted by the game.

### SCORING

As you adventure through the enchanted dungeons, you'll earn points for vanquishing the time, overcoming obstacles, defeating enemies and rescuing the Princess. You can earn bonus Disk credits by also completing the weapons room and one Disk for each screen completed.

After that up to a maximum of five Disk types will need them.

In order to get the high score of the day, just press the speedster when on the title screen, and you will be able to put in your name.
